GENERAL POST INFORMATION

1.1 Introduction. These regulations are to provide direction, guidance, and clarification to the VFW Congressional Charter Bylaws and the VFW Manual of Procedural Ritual to Comrades of Lake Murray VFW Post 6740. The primary purpose of this instruction shall be to highlight and describe the local variations and additional procedures unique to the Lake Murray VFW Post 6740 based on membership meetings, committee meetings, and actions that have been passed down from previous Post leaders and members. The intent is to standardize guidelines and procedures that can be read and reviewed by members and staff of Lake Murray VFW Post 6740 as they attend to the day-to-day administration and operations of Post 6740. Appendix 1 defines terms used within this document. This document should not contradict or ease higher authority regulations, therefore, if a conflict arises, the higher authority document shall take precedence.

1.2 Membership Eligibility. VFW eligibility consists of three criteria:

- Citizenship - must be a U.S. citizen or U.S. national.
- Honorable Service - must have served in the Armed Forces of the United States and either received a discharge of Honorable or General (Under Honorable Conditions) or be currently serving.
- Service in a war, campaign, or expedition on foreign soil or in hostile waters. This can be proven by any of the following:
 - ✓ an authorized campaign medal
 - ✓ receipt of Hostile Fire Pay or Imminent Danger Pay
(verified by a military pay statement)
 - ✓ service in Korea for 30 consecutive or 60 non-consecutive days
 - ✓ Consult Section 101 of the VFW Bylaws and Manual of Procedure for additional eligibility details

The Post has an obligation to verify eligibility of all applicants. National Member-at-Large membership does NOT convey

eligibility since applicants do not submit any documentation (i.e. DD-214) during the on-line application process but rather check a box stating they meet eligibility criteria.

1.3 Membership Dues. The annual VFW Post 6740 dues are \$33.00 per year.

1.4 New Member Name Tag. The Post shall purchase and provide new members, to our Post, a name tag. New members include transfers from other posts and national members at large. The Quartermaster shall be responsible for obtaining the name tag within a reasonable timeframe (usually for the next monthly meeting) and ensure the member provides their preferred name and proper spelling.

1.5 First Year Free Membership. To assist in recruiting new members to Post 6740, it has been a long-standing tradition that our Post pays the dues of first year memberships. This does not include transfers from other posts or national members at large.

1.6 Entry into VFW Post 6740. The Lake Murray VFW Post 6740 is a "private club". Every member entering the Post must sign-in. Every non-member is a "guest" and must sign in with an identified sponsoring member. If an employee is uncomfortable with someone's status, they shall refuse service. There are times when the Post sponsors public events but those require special permits.

1.7 Meeting Decorum - Hats. During regular or special membership business meetings, the only hat/cover that should be worn is the VFW Member Cap (garrison cap) or the approved VFW Alternative Cap (ballcap). Officers of the Post do not have an option during business meetings, the VFW Member Cap (garrison cap) is the only hat/cover authorized.

1.8 Meeting Decorum - Food and Drinks. During scheduled membership business meetings, the Canteen (kitchen and bar) shall be closed. No food should be consumed during business meetings. Alcoholic beverages shall not be consumed during business meetings. Committee chairs and/or the committees may establish the same food and drink decorum.

CHAPTER 2

POST FINANCES AND MONEY MATTERS

2.1 Introduction. In accordance with National VFW policies and VFW Post 6740 Bylaws, the Post finances are maintained by the Quartermaster. This chapter reflects approved policies and provides a standardized document for them to reside in perpetuity.

2.2 House Committee Authorized Expenditure Limit. As per the Post Bylaws, the House Committee may authorize expenditures for minor emergency repairs and janitor supplies for the preservation and protection of the Post's quarters and its equipment provided that the total amount so expended between any two regular meetings does not exceed \$500. All expenditures outside of minor emergency repairs and janitor supplies (under \$500), shall be approved by the House Committee and brought before the membership for a vote of approval.

2.3 Large Post Expenditures. Expenditures exceeding \$3,000 must be approved by a two-thirds (2/3) vote of the members present and voting at a regular or special meeting.

2.4 Travel Reimbursement. Throughout the fiscal year, Post Comrades travel to Councils of Administration (COA), Schools of Instruction (SOI), District Meetings/Conventions, Department Meetings/Conventions, National Conventions, and other events that require official representation. Comrades should not have to pay out-of-pocket expenses for duties required of their Post positions. To limit the overall annual travel reimbursements, the Post shall budget \$6,000 per year and shall allow a maximum of \$3,000 to be obligated for any one event. If an event exceeds \$3,000 in travel reimbursements, all attendees/delegates/Comrades of said event shall determine how the \$3,000 will be distributed (i.e. split funds among all attendees, provide for attendees never reimbursed before, etc.). The Quartermaster will execute the travel reimbursement as directed and agreed upon. Anyone desiring travel reimbursement is required to submit receipts/documentation to the Quartermaster within two (2) weeks after the event or it shall

be deemed reimbursement is not desired. Comrades who are attending events solely as District/Department Officers will not be eligible for travel reimbursement from VFW Post 6740. If there is any confusion as to whether an event should be entitled to reimbursement, it shall be brought before a membership vote at a regular business or special meeting.

a. Mileage/transportation. Comrades attending approved events outside the local area should be reimbursed for round trip mileage from their residence. "Local area" in this discussion is defined by 50 statute miles. Therefore, if a GPS device or mobile application (App) calculates travel beyond 50 miles, reimbursement is authorized at the below rates.

Privately Owned Automobile: \$0.725 per mile

Airplane: \$1.78 per mile

b. Lodging. Lodging is normally required for attendance at the COA during the Mid-Winter Conference, the Department Convention, and the National Convention. Comrades attending these events may be reimbursed for one (1) night of lodging for the Winter Conference and the Department Convention. Delegates attending the National Convention may be reimbursed for two (2) nights of lodging.

c. Meals. Comrades and one (1) guest may be reimbursed for attending banquets at the Mid-Winter Conference and the Department Convention.

CHAPTER 3

CHAPTER 8

COUNSELING

8.1 Introduction. When disciplinary action is not warranted, counseling may provide a method to document behavior or circumstances that are deemed inappropriate. These counseling records are mandated by Post inspections but may provide history for rotating House Committee members and Post Officers to understand and manage people.

8.2 Counseling Form. The counseling form is a useful tool to retain events of historical significance. Counseling will be documented using the VFW Post 6740 Counseling and Discipline Form (Appendix 5). The Post Commander, Post Officer, or House Committee Chairperson will document the event(s) that form the basis for counseling and/or disciplinary action and the action taken. The counseled person will be offered the opportunity to comment on the appropriate section of the VFW Post 6740 Counseling and Discipline Form (Appendix 5). The Post Commander, Post Officer, or House Committee Chairperson will seek the person's signature on the form, which will indicate their awareness of the counseling/disciplinary action. If the person refuses to sign the form, the Post Commander, Post Officer or House Committee Chairperson will stress that their signature does not constitute an admission of wrongdoing but merely an acknowledgment of the action taken. If the person still refuses to sign the form, it will be noted on the form.

8.3 Appeals. Anyone who has been counseled will be notified of the time and place of the House Committee meeting to address the issue. The person will be allowed to present their case to the House Committee and may bring witnesses in their defense. Requests for an appeal to the House Committee will be made in writing within thirty (30) days of any action taken.

CHAPTER 9

WAYS AND MEANS COMMITTEE

9.1 Introduction. The Ways and Means Committee is tasked with brainstorming fundraising and expenditure ideas, then presents recommendations to the Post Membership during regular meetings. The committee shall meet to discuss any expenditures unrelated to the Canteen Club House operations as per Article VI, Section 4 of the Post Bylaws. Post members are encouraged to participate in this committee especially if one has tenured VFW experience in fundraising ideas or new Post members who could bring new and fresh fundraising ideas to the forefront.

9.2 Committee Membership. Per Article VI, Section 4, of the Post Bylaws, the committee shall consist of not less than three (3) members whom shall be elected by the Post members to serve a term of three (3) years. The Chairperson may be appointed by the Post Commander or elected by the committee membership. The Post Commander and Post Quartermaster shall be members based on their organizational positions and responsibilities. The committee membership should consist of an odd number of members to allow decision making by a majority.

9.3 Committee Reports. The committee reports its results, recommendations, and findings during regular membership meetings, as called upon by the Post Commander, for approval or disapproval.
